Auditor's Report

**The Board of Selectmen
Town of Moultonboro
Moultonboro, New Hampshire**

We have examined the combined balance sheet of the general fund, capital reserve fund and Federal revenue sharing trust fund and statement of long-term indebtedness (exclusive of the Moultonboro School District) as at December 31, 1976, together with the applicable statement of budget performance and changes in fund balances for the year ended December 31, 1976. We have examined the statement of revenue, expenditures, encumbrances and fund balance of the revenue sharing fund for the year end December 31, 1976 and the report of the trust funds of the Town of Moultonboro as at December 31, 1976. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The combined balance sheet is in accord with the statement format required for submission by the Town to the Department of Revenue Administration, Municipal Services Division of the State of New Hampshire, and properly reflects the segregation of the various fund balances. Although local communities in New Hampshire have not been required to accumulate general government capital expenditures over the years and reflect such costs in financial reports, recent pronouncements have encouraged the adoption of such accountability in accordance with generally accepted accounting principles.

In our opinion, the accompanying combined balance sheet of the funds stated above, together with the applicable statements of budget performance and changes in fund balances, present fairly the financial position of the Town of Moultonboro as at December 31, 1976 and the results of its operations and changes in fund balances for the year then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

A perpetual fund will be established in memory of Herbert Farnham. A donation was made by George Parsons in memory of his friend, Henry C. Chandler.

As in the past, the library has been the recipient of many fine books. This year they totalled 280 and the retail value was \$2,137.75.

Displays have been an added attraction for the library. A display case is in the hall and if there are those who have hobbies, collections, etc. that they would be willing to display, they would be greatly appreciated. Each month the Moultonboro Woman's Club decorates the library mantel.

An invitation is extended to all residents, both permanent and part-time, as well as folks from neighboring towns, to make use of the facilities that are available at the library.

The library circulation has peaked and this year there was a slight decrease in circulation. It is as follows:

Moultonboro Visiting Nurse Service

Report of Board of Directors

Annual Report-1976

The Moultonboro Visiting Nurse Service has now completed a full five years of service. We are most fortunate having Mrs. Marguerite King, R.N., our original visiting nurse, on our staff, continuing to do an excellent job visiting the sick, elderly, and mental health patients as well as seeing many patients in the office daily. Thru her aid and guidance our service continues to grow and reach out more every year. This year 1422 patient visits were made it shows just how important this service has become to our townspeople.

We still maintain our service on a part-time basis, Monday thru Friday, 8 a.m. to 12 noon. The nurse is in her office from 8 to 8:30 each morning and again from 11:30 to 12:00, to take phone calls and pre-arrange visits. Due to our adult health screening clinics many patients are now seen in the office for regular check-ups for bloodpressure, etc. Mrs. King keeps a chart on all patients and reports to their Doctors regularly.

Mrs. Vicki Holland, R.N., our replacement nurse is working with Mrs. King on a regular basis, one or two days a week as needed so we can continue to give the expected excellent care patients have received in the past.

We are sorry to have to accept the resignation on December 31, 1976 of our office secretary, Mrs. Rosa Edwards. Rosa had been with us from the time we originated and was a great help to all of us on the board, also serving as secretary to the Medical Advisory Board. We wish her a great deal of happiness in her retirement. The Board of Directors at their December meeting appointed Mrs. Sara Richardson to take Mrs. Edwards place as secretary.

The following is the current list of the Board of Directors of the Moultonboro Visiting Nurse Service:

Mrs. Rae Marie Davis, Chairman
Mrs. Sara Richardson, Treasurer
Mrs. Frances Scalera, Chairman Medical Advisory Board
Mr. Charles Wettergreen, Publicity Chairman
Mr. Harold E. Martin, Selectman
Mr. Martin R. Clifford, Selectman
Mrs. Paula Smart, Secretary
Dr. Aleksander Ratsep, Medical Advisor
Mrs. Margaret Lamprey
Mr. Frank McIntire
Mrs. Dorothy W. Davis
Mrs. Gertrude Stockbower
Mr. William H. Blackadar, Selectman

we continue to have Mrs. Velma Hodgkins, as our community at large member, serving on our Medical Advisory Board which meets once a month.

At the June meeting a dinner was held to celebrate our first five years of

service, at the home of Mr. & Mrs. Leonard M. Smart. It was decided on at this time to drop the former fee of \$6.00-visit pro-rated and operate as a completely free service. This would eliminate any embarrassment on any patients part. However, it was decided at this time to set up a trust fund for the Nursing Service so that in the future it would not be of any cost to anyone thru their taxes. This fund was started and continued to grow well during these past few months. We hope as more people become aware of this fund we will have more contributions. As of December 31, 1976 we have \$299.00 in this account.

The Moultonboro Visiting Nurse Service wants to thank each and every one of our townspeople for their support of this organization and to all other organizations for their support. We especially want to thank the Lions Club for their support and use of their building for our flu vaccine clinic held there this fall.

Please continue to contact us at the office or feel free to contact any of the other board members if we can be of any help.

Respectfully submitted,
Mrs. Rae Marie Davis
Chairman

Moultonborough Visiting Nurse Service

Annual Report 1976

We are now in the sixth year of nursing service to the town of Moultonborough. Our hours are 8:00 AM to Noon, daily. With the continued increase of referrals from physicians, hospitals and family members, we had 1422 house and office visits covering 94 individuals; a 46 percent increase over 1975. In addition, there were consultations and conferences with doctors, nurses, social workers and other agencies in the county and the state.

On November 4, 1976, we held a very successful immunization clinic for flu at the Moultonborough Lions Club which more than 351 individuals attended. We had the excellent cooperation of the New Hampshire Department of Public Health, Lions Club members, local nurses and many fine volunteer townspeople.

The Continuing Education courses attended this year were:

1. "Care of Cancer of the Colon Patients," at Gorham.
2. "Care and Treatment of the Alcoholic," at Laconia.
3. Podiatry - "Care and Treatment of the Feet," at Concord.
4. "Rehabilitation of the Stroke Patient," at St. Anselm's, Manchester.
5. "Cardiac Pulmonary Resuscitation," at Lakes Region Hospital, Laconia.

Once again, I wish to thank all cooperating physicians as well as the Board of Directors and the Medical Advisory Board of the Nursing Service for their continuing help and assistance. We continue to appreciate the contributions of medical supplies and equipment from various individuals, the Lions Club, the Red Cross; and, also, all who have helped in transporting special equipment to and from patient's homes.

At this time, I would personally like to thank Rosa Edwards, who has been secretary to the nursing service since the service started. It was with a great sense of loss that we accepted her resignation. We wish that she thoroughly enjoys her future plans to travel as well as her retirement. We hope that she will stay active as an ad hoc member of the service.

We extend our thanks to Mrs. Vicki Holland, R.N. who replaces me during vacation and helps out when we get very busy. We also thank the many unmentioned individuals whose efforts continue to make our nursing service a success.

Respectfully submitted,

(Mrs.) Marguerite T. King, R.N.

Report of the Bicentennial Committee

The Selectmen of Moultonborough started the Town's celebration of the American Bicentennial by appointing on June 19, 1975 a committee of five to organize and plan a three day event for the town. This committee was made up of Mr. Lawrence W. Porter as chairman and Martha J. Oliver, Ernest E. Davis, Jr., Hazel B. Straw and Stephen A. Holden as the other members. We became known as the Moultonborough American Revolution Bicentennial Committee and held our first organizational meeting at the Selectmen's office on June 27, 1975. At this meeting Hazel B. Straw was chosen as secretary and Ernest E. Davis, Jr. treasurer of the committee. This was only the beginning of many such meetings that were held. We met at least once a month and as the dates selected for the events approached the meetings were more numerous. The cooperation of all organizations in town was requested and advised to have a representative at our meetings so that we could get a closer view of what the majority of the people in town wished. These meetings brought out ideas that were incorporated into our three day celebration.

With the dates set as July 30 and 31 and August 1, 1976 we drew up a budget and requested that the town approve a \$5,810.00 expenditure. This was approved at the town meeting on March 2, 1976.

During the early part of 1976 we received notification that Moultonborough had been recognized as a Bicentennial Community. This brought to our attention the need for a town flag pole from which we could display this symbol. Through the generosity of the Moultonborough Civic Association, chaired by Mr. Fred Snow, that need was fulfilled when they erected the pole at the town office building. This flag pole was dedicated on Memorial Day, May 31, 1976, in conjunction with the presentation by Dr. William Taylor, Vice-chairman of the New Hampshire American Revolution Bicentennial Commission, of our Bicentennial Flag. This very patriotic gesture by the Civic Association has added much to the appearance of the Town Office Building where Old Glory so notably waves with each passing breeze. A big Thank You from the whole town.

Two contests were set up by the committee for all school children grades one through twelve from Moultonborough to take part in. One was for the design of a town flag and the other to design entrance signs to be located at the approaches to the town lines. Miss Debra E. McIntire was the winner of the flag design contest and Master Edward W. Richardson's entrance sign design won for him. The entrance signs were presented to the Town Selectmen on July 18, 1976 by Master Richardson, the nine year old son of Mr. and Mrs. Wayne P. Richardson. Miss McIntire, the daughter of Mr. and Mrs. Delmar L. McIntire, Jr., presented the flag which she designed and made to the Selectmen during the opening events of the celebration, July 30, 1976.

Mother nature was not the most cooperative weatherwise for all of our scheduled events and some had to be moved indoors but all planned were held and well attended.

The crowning of the King and Queen was held on Friday evening, July 30, 1976. The senior native-born residents of the town received these

honors. Mr. Ernest L. Berry as king and Miss Ethel C. Smith, the queen. Attending the King was Clyde B. Foss and Horace L. Richardson and the Queen's Court was Deldee Shaw and Mary A. Martin. Among other events during the weekend was a street parade led by Co. B, 368th Engr. Bn., U.S. Army Reserves of Laconia, N.H. serving as color guard. Next in line was one of Moultonborough's native World War I Veteran's, Mr. Lester Wakefield. Some five thousand viewed the parade as it went along Route 25 from Sheridan Road to the Moultonborough Airport. A gala display of fireworks climaxed the events at Long Island Beach on Sunday evening.

As we close this Bicentennial year it would be impossible to thank everyone who did so much to make this the successful celebration that had been planned. We would, however, like to express thanks to the Centre Harbor Fire Department for their setting of the fireworks display - well done boys, the Moultonboro Lions Club who opened their doors to the events that mother nature tried to wash out, to Mrs. Arthur C. Whitehouse for the donation of the flowers presented the King, Queen and their court - most beautifully appointed Pat, and to our parade judges, Mr. Edwin Moulton, Mr. W. Irving Brown, Mrs. Dorothy W. Davis, Mrs. Helen Ingles and Mrs. Elizabeth Coleman, for the excellent job they did on a most difficult task.

The year 1976 is now over and we wish to everyone the best that can come their way as we begin the third century of American History.

From over thirty applicants Douglass Lowrey was appointed a full time officer and started work in mid June. I was very pleased with both the number and high quality of the applicants. The work load has increased

this year and Officer Lowrey has quickly learned the town and assumed his share of the duties

Officers have continued with studies at St. Anselms College as well as attending courses offered by N. H. Police Standards and Training Council. We plan to continue this training as useful subjects are offered.

In estimating the budget for 1976 I failed to anticipate the additional use of the cruisers by a third full time man. This year I would like to purchase a new cruiser as planned, but instead of trading the 74 Plymouth, keep it for backup use. The car is in reasonably good condition even though it has high mileage.

There have been many complaints of speeding on side roads. Usually there is a half mile of straight road where high speeds are attained for a short time. I have included \$1,200 in the budget for a radar unit, to use to control this problem.

Again we have had fine cooperation from towns people as well as other law enforcement agencies. This is greatly appreciated and I am sure it will continue throughout the coming year.

Report of District Fire Chief and Town Forest Fire Warden

Moultonboro

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.
